

**ADMISSION EXAMINATION
SESSION - July 2025
FACULTY OF ARCHITECTURE**

ANNEX NO. 2

INSTRUCTIONS FOR CANDIDATES

PRACTICAL GRAPHIC REPRESENTATION TEST

8 July 2025

1. Upon entering the university premises, candidates must present their ID and examination pass. Attendance will be recorded by the supervisors stationed at the university entrance, according to the official candidate list.
2. Candidates must proceed to the examination room assigned to them, as previously indicated on the room distribution list.
3. Upon entering the examination room, candidates will again be asked to present their ID and examination pass. Attendance will be recorded by the room supervisors in the official candidate list.
4. Candidates must take the seat assigned to them, as indicated on the seat allocation slip (the label affixed to the upper right-hand corner of the drawing board).
5. Each candidate will receive from the room supervisor: One support sheet for the examination board; One official drawing sheet, bearing a label in the upper right-hand corner for personal data entry, which will later be covered by a black sheet to ensure candidate anonymity; Two marked A4 sheets for rough work; The present set of stamped instructions; Adhesive tape for securing the drawing sheet to the board.
6. It is the candidate's responsibility to attach both the support sheet and the official drawing sheet to the drawing board.
7. The candidate must clearly fill in the following personal details in capital letters in the label located in the upper right-hand corner of the official drawing sheet: the examination number (as indicated on the seat allocation slip attached to the board), surname, father's initial, and first name (as per the birth certificate), and any name changes (due to marriage, adoption, or court decision).
8. During the examination, the following items must be present on the candidate's desk at all times: ID card, examination pass, this stamped instruction sheet, the official drawing sheet, and the marked rough work sheets.
9. During the examination, candidates are not permitted to leave their assigned seats except in cases of necessity and only when accompanied by a corridor supervisor.

-
10. After the subjects have been announced, candidates will not receive any further clarification regarding the examination task.
 11. Candidates must work in silence throughout the examination. Any attempt at collaboration, cheating, or violation of these instructions will result in immediate disqualification.
 12. The time allocated for the examination, as specified in the subject sheet, will be written on the board by the room supervisor after the subjects have been announced.
 13. During the examination, the room supervisor will check the personal data written on the label, confirm it by signing the label, and will then place the black covering sheet over the label in the candidate's presence to ensure anonymity.
 14. At the end of the examination, all candidates must remain seated. They will be called, in order, to the front of the room by the room supervisor to submit their work. A second supervisor will remain in the room to ensure that all candidates stay quietly in their seats. Thirty minutes before the end of the examination, all candidates must remain in the room until the exam concludes. A minimum of three candidates must remain in the room at the end of the exam.
 15. When submitting their work, candidates will sign the attendance/submission register. The room supervisor will then sign the examination pass. The rough sheets will be torn up by the supervisor in the presence of the candidate.
 16. On the day of the entrance examination, candidates are strictly prohibited from bringing mobile phones or any other electronic communication or data storage devices into the premises of UAUIM.
